

2008 Monitoring Report: Indicators of Institutional Effectiveness

Errata Sheet – 11/12/2008

MCCCD Office of Institutional Effectiveness

The following errors were found in the 2008 Monitoring Report after the report was printed and distributed. The web version of the report has been corrected and can be found at

http://www.maricopa.edu/academic/ir/monitoring_report/monitoring_reports_history.php.

Page 5 (Performance Dashboard) – Institution-wide Credit Course Success Rate Target changed to 72% instead of 84%, and Actual (72%) changed to green instead of red.

Page 7 (Student Progress Indicators) - Institution-wide Credit Course Grades – Success Rate ‘Change from prior year’ should be -0.8% and was changed from +0.8%. Performance target for this indicator changed to 72% from 84%.
