

EDUCATIONAL PLANNING AND PLACEMENT

MCCCD has adopted multiple placement measures to help students select the most appropriate English, Reading and Math courses for their educational goals. Students who meet the standards, identified below using their high school transcript, GED or ACT score are encouraged to use that measure as their primary placement tool in lieu of taking the Accuplacer exam. Students who wish to take the Accuplacer test for additional placement options are welcome to do so. Please meet with an Academic Advisor prior to enrollment to ensure appropriate course selection.

High School Transcript Requirements:

- Student has completed at least two years of high school coursework and the last date of high school attendance was within the last 10 years.
- Student's high school transcript includes an unweighted, cumulative high school GPA of 2.6 or higher, based on a 4.0 scale

GED: GED exam completed no earlier than January 2014; scores are valid for placement for 5 years.

ACT: Placement based on individual subject area test scores; scores are valid for 5 years.
