INDEPENDENT AUDITORS' REPORT

Maricopa County Community College District
KJZZ – FM Radio and KBAQ – FM Radio
Phoenix, Arizona

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of KJZZ – FM Radio, a Public Telecommunications Entity Operated by Maricopa County Community College District and KBAQ- FM Radio, a Telecommunications Entity Licensed to Arizona Board of Regents for and on behalf of Arizona State University and Maricopa County Community College District (KJZZ – FM Radio and KBAQ – FM Radio) or (Stations) and the discretely presented component unit, Friends of Public Radio, Arizona, as of and for the years ended June 30, 2024 and 2023, and the related notes to the financial statements, which collectively comprise the Stations' basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of KJZZ – FM Radio and KBAQ – FM Radio and the discretely presented component unit, as of June 30, 2024 and 2023, and the respective changes in financial position, and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Stations and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As described in Note 1.A., the financial statements present only KJZZ – FM Radio and KBAQ – FM Radio (departments within Maricopa County Community College District, under a license granted by the Federal Communications Commission) and do not purport to, and do not, present fairly the financial position of Maricopa County Community College District as of June 30, 2024 and 2023, the changes in its financial position, or where applicable, its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Stations' ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Stations' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Stations' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Stations' basic financial statements. The Supplementary Information (Friends of Public Radio Arizona Statement of Activities by Licensee) is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audits of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the Friends of Public Radio Statement of Activities by Licensee is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS
YEARS ENDED JUNE 30, 2024 AND 2023**

This discussion and analysis introduces the financial statements and provides an overview of the KJZZ-FM Radio and KBAQ-FM Radio Stations' (the Stations) financial activities for the years ended June 30, 2024 and 2023. Please read it in conjunction with the financial statements, which immediately follow.

FINANCIAL HIGHLIGHTS

- ◆ KJZZ- FM public radio is a listener supported community service providing listeners with a mix of news and information along with jazz music 24-hours a day.

KBAQ – FM public radio is a listener supported classical music station co-licensed to the Maricopa County Community Colleges and Arizona State University.

Sun Sounds of Arizona is a reading service providing news, information, and entertainment to those who cannot read print due to a disability.

- ◆ Funding for KJZZ and KBAQ primarily comes from individual donations, grants and underwriting. Other sources include the Maricopa County Community College District and the Corporation for Public Broadcasting (CPB). Sun Sounds of Arizona is funded through support from the Maricopa County Community Colleges District, individual donations, and grants and from the State Department of Library, Archives and Public Records. All services benefit from fundraising events and car donation programs.
- ◆ Each year an annual strategic plan is produced and executed for each radio station in order to acquire revenue.

OVERVIEW OF THE FINANCIAL STATEMENTS

Beginning in FY2002, KJZZ – FM Radio, operated by the Maricopa County Community College District (MCCCD), and KBAQ – FM Radio co-licensed to Arizona State University and the Maricopa County Community College District (the Stations), were required to present annual financial statements in accordance with pronouncements issued by the Governmental Accounting Standards Board (GASB). The financial statements consist of the following:

- ◆ The statement of net position reflects the financial position of KJZZ – FM Radio and KBAQ – FM Radio and Sun Sounds Radio Stations at June 30, 2024 and 2023. It shows the various assets owned or controlled, related liabilities and other obligations, and the various categories of net position.
- ◆ The statement of revenues, expenses, and changes in net position reflects the results of operations and other changes for the years ended June 30, 2024 and 2023. It shows the various revenues and expenses, both operating and nonoperating, reconciling the beginning net position amount to the ending net position amount – which is shown on the statement of net position, described above.
- ◆ The statement of cash flows reflects the inflows and outflows of cash and cash equivalents for the years ended June 30, 2024 and 2023. It shows various cash activities by type, reconciling the beginning cash and cash equivalents amount to the ending cash and cash equivalents amount – which is shown on the statement of net position, described above. In addition, this statement reconciles cash flows from operating activities to operating income (loss) on the statement of revenues, expenses, and changes in net position, described above.

**KJZZ - FM RADIO AND KBAQ - FM RADIO
MANAGEMENT'S DISCUSSION AND ANALYSIS
YEARS ENDED JUNE 30, 2024 AND 2023**

Although the primary focus of this document is on the results of activity for years ended June 30, 2024 (FY2024) and 2023 (FY2023), comparative data is presented for the previous year ended June 30, 2022 (FY2022). This Management's Discussion and Analysis (MD&A) uses the prior year as a reference point to illustrate issues and trends for determining whether the Stations' financial health may have improved or deteriorated.

The condensed financial information on the following page highlights the main categories of the statement of net position. Assets and liabilities are distinguished as to their current and noncurrent natures. Current liabilities are typically those obligations intended for liquidation or payment within the next fiscal year while current assets are those resources that are available for use in meeting the ongoing operating needs of the Stations, including current liabilities. Net Position is divided into two categories, investment in capital assets and unrestricted net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Stations are improving or deteriorating.

**Table A-1
Statement of Net Position**

	2024				2023	2022
	KJZZ	Sun Sounds	KBAQ	Total

Total Assets	<u>3,641,779</u>	<u>14,374</u>	<u>1,427,537</u>	<u>5,083,690</u>	<u>4,845,167</u>	<u>4,356,661</u>
LIABILITIES						
Current Liabilities	160,426	66,975	163,946	391,347	509,957	321,427
Total Liabilities	<u>160,426</u>	<u>66,975</u>	<u>163,946</u>	<u>391,347</u>	<u>509,957</u>	<u>321,427</u>
NET POSITION						
Investment in Capital Assets	1,137,082	2,320	147,349	1,286,751	1,454,548	1,648,943
Unrestricted Net Position	2,344,271	(54,921)	1,116,242	3,405,592	2,880,662	2,386,291
Total Net Position	<u>\$ 3,481,353</u>	<u>\$ (52,601)</u>	<u>\$ 1,263,591</u>	<u>\$ 4,692,343</u>	<u>\$ 4,335,210</u>	<u>\$ 4,035,234</u>

The Stations' overall financial position increased in FY2024 and FY2023, with total net position increasing 8% from FY2023 to FY2024 and increasing 7% from FY2022 to FY2023. The change in net position is further discussed following Table A-2 (Changes in Net Position) on the following page.

Total current assets for the Stations in FY2024 increased \$0.4 million. The increase was due to an increase in cash and cash equivalents (\$0.3 million) and an increase in underwriting receivable (\$0.1 million). The cash increase was primarily due to an increase in unearned revenue and underwriting revenue.

Total current assets for the stations in FY2023 increased \$0.7 million. The increase was due to an increase in cash and cash equivalents (\$0.8 million) offset by a decrease in underwriting receivable (\$0.1 million). The cash increase was primarily due to an increase in unearned revenue and underwriting revenue.

**KJZZ - FM RADIO AND KBAQ - FM RADIO
MANAGEMENT'S DISCUSSION AND ANALYSIS
YEARS ENDED JUNE 30, 2024 AND 2023**

Capital assets at June 30, 2024 and 2023 totaled \$1.3 million and \$1.5 million, respectively, versus \$1.6 million in FY2022. Net decreases in FY2024 and FY2023 were due to the net effect of current year depreciation expense and current year additions/deletions. In FY2024, the Stations had additions of \$0.05 million, and depreciation expense of \$0.1 million. The Stations had depreciation expense of \$0.1 million in FY2023. Additional information on capital assets can be found in the Notes to Financial Statements – Note 2.A.2.

In FY2024, liabilities decreased \$0.1 million from FY2023. The decrease in liabilities was due to a decrease in unearned revenue of \$0.1 million associated with underwriting.

In FY2023, liabilities increased \$0.2 million from FY2022. The increase in liabilities was due to an increase in unearned revenue of \$0.2 million associated with underwriting.

The condensed financial information below highlights the main categories of the statement of revenues, expenses, and changes in net position. Depreciation expense is recorded in accordance with the adoption of the full accrual basis of accounting. The construction and acquisition of capital assets, although budgeted and tracked as an expenditure in the accounting system, is not reflected as an expense in these statements. Rather, such transactions are capitalized and reported in net position – with the systematic allocation of such costs (depreciation) expensed over the useful lives of the assets constructed or acquired.

**KJZZ - FM RADIO AND KBAQ - FM RADIO
MANAGEMENT'S DISCUSSION AND ANALYSIS
YEARS ENDED JUNE 30, 2024 AND 2023**

The Stations show an operating loss in each of the three fiscal years, reflective of the fact that the two largest revenue sources, private gifts and underwriting, are considered nonoperating revenues. For a description of the difference between operating and nonoperating revenues, please refer to the Summary of Significant Accounting Policies (Note 1), which directly follows the presentation of the financial statements.

Operating revenues, including licensee appropriations and shared administrative support, reported a similar balance in FY2024 as in FY2023 (\$3.6 million). Operating revenues, including licensee appropriations and shared administrative support, decreased by \$0.2 million in FY2023 as compared to FY2022. Licensee appropriations are expenses paid on behalf of the stations by MCCCCD and are recognized as revenues (contributions) on the financial statements. They include expenses such as salary and benefits of key employees and certain capital expenses. Shared administrative support is a calculation of how much indirect support is provided to the Stations by the licensees. Revenues are recognized in an amount equal to expenses through contributions from MCCCCD and Arizona State University (ASU).

Nonoperating revenues, primarily comprised of listener donations, corporate underwriting, and private gifts, grants and contracts, reported a similar balance in FY2024 as in FY2023 (\$10.9 million).

Nonoperating revenues showed a decrease of \$0.7 million in FY2023 as compared to FY2022, largely due to a decrease in government grants and contracts (\$0.6 million decrease), private gifts, grants and contracts (\$0.3 million decrease), and underwriting revenue (\$0.2 million increase).

Friends of Public Radio Arizona transferred \$5.7 million and \$5.6 million to the Stations in FY2024 and FY2023, respectively. In FY2024, the increase was due to maintaining the same level of contributions from Friends of Public Radio and increased revenue through listener support and donations. Friends of Public Radio Arizona is a nonprofit 501c(3) organization that stewards revenues raised by the Stations through listener donations, events, and grants. The transfers in FY2023 were comparable to FY2022.

Private grants and contracts decreased \$0.03 million in FY2024 largely due to a decrease in restricted grant funding in the current year. Private grants and contracts decreased \$0.3 million in 2023 largely due to a decrease in restricted grant funding in the prior year.

The Stations received similar underwriting revenues in FY2024 compared to FY2023 (\$3.2 million).

**KJZZ - FM RADIO AND KBAQ - FM RADIO
MANAGEMENT'S DISCUSSION AND ANALYSIS
YEARS ENDED JUNE 30, 2024 AND 2023**

In FY2024, operating expenses decreased \$0.1 million over the previous fiscal year. Broadcasting increased \$0.05 million and depreciation increased \$0.02 million, while programming and production decreased \$0.09 million, management and general expense decreased \$0.04 million, and fundraising expenses decreased \$0.04 million.

In FY2023, operating expenses increased \$0.2 million over the previous fiscal year. Broadcasting increased \$0.2 million, management and general increased \$0.2 million, and fundraising increased \$0.3 million, while programming and production decreased \$0.2 million and depreciation expense decreased \$0.2 million due to certain older assets being fully depreciated.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

Capital assets at June 30, 2024, 2023, and 2022 totaled \$1.3 million, \$1.5 million, and \$1.6 million, respectively. The decreases in FY2024 and FY2023 were due to the net effect of additions and current year depreciation.

**Table A-3
Capital Assets (Net of Accumulated Depreciation)**

	2024	2023	Variance
Land Improvements	\$ 515,424	\$ 555,193	-7%
Buildings and Improvements	575,735	626,508	-8%
Equipment	195,592	272,847	-28%
Total	<u>\$ 1,286,751</u>	<u>\$ 1,454,548</u>	-12%

Major capital asset activity during FY2024 and FY2023 were:

- ◆ FY 2024 – Depreciation expense of \$213,193 and additions of \$45,396.
- ◆ FY 2023 – Depreciation expense of \$195,583.

Additional information on the Stations' capital assets can be found in Note 2.A.2.

Long-Term Debt

At the end of the current fiscal year, the Stations had no long-term debt outstanding.

**KJZZ - FM RADIO AND KBAQ - FM RADIO
MANAGEMENT'S DISCUSSION AND ANALYSIS
YEARS ENDED JUNE 30, 2024 AND 2023**

Economic Factors and Next Year's Budget

- ◆ The stations continue to closely monitor revenue streams and opportunities for future funding. The stations have strategically shifted resources to acquiring new members and retaining the sustaining membership base. Uncertainty in the U-S economy and global tensions have continued which may harm the stations' ability to grow its funding base. Federal proposals that would affect business revenue and ultimately consumers, will impact the stations' ability to raise additional funding from individual donors.
- ◆ Operating support from the Corporation for Public Broadcasting (CPB) is in a more precarious position than in previous years. There are increased threats of reduced funding to the Corporation for Public Broadcasting which would have a significant impact on the stations. While the community service grants are forward funded, the federal level leaders have not ruled out all options for reducing CPB. Any future budget cuts, eliminations, or sequestrations could affect funding for the Corporation and funding for the stations.
- ◆ Support from our parent institution, Rio Salado College, is expected to continue.

The Rio Salado College "Division of Public Service," includes KJZZ-FM, KBAQ-FM, Sun Sounds and Spot 127 Digital Media Center.

The Division's operating units operate under budget plans that are monitored by management.

REQUESTS FOR INFORMATION

This financial report is designed to provide the readers with a general overview of the Stations' finances and to show the Stations' accountability for monies it receives. If you have any questions about this report, or need additional financial information, contact the Maricopa County Community College District, Office of Financial Services and Controller, at 2411 W. 14th Street, Tempe, Arizona 85281.

**KJZZ - FM RADIO AND KBAQ - FM RADIO
NOTES TO BASIC FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of KJZZ – FM Radio, a Public Telecommunications Entity Operated by Maricopa County Community College District and KBAQ – FM Radio, a Public Telecommunications Entity Licensed to Arizona State University and Maricopa County Community College District (KJZZ – FM Radio and KBAQ – FM Radio) or (the Stations) conform to accounting principles generally accepted in the United States of America applicable to governmental units as promulgated by the Governmental Accounting Standards Board (GASB). A summary of the Stations’ more significant accounting policies follows.

A. Reporting Entity

The Stations are a departmental operation, not a component unit, of the Maricopa County Community College District (MCCCD) in Phoenix, Arizona, under a license granted by the Federal Communications Commission. KJZZ – FM Radio is a Public Telecommunications Entity Operated by Maricopa County Community College District and KBAQ – FM Radio is a Public Telecommunications Entity Licensed to the Arizona Board of Regents for and on behalf of Arizona State University and Maricopa County Community College District (MCCCD). MCCCD provides administrative and other financial support to the Stations. The Stations’ financial statements include those portions of MCCCD’s Restricted Fund for which the Stations have financial accountability, including the accounts of an affiliated broadcast service, Sun Sounds. Sun Sounds is a radio reading service for the blind produced by the Stations. Financial accountability for the Stations remains with MCCCD. The accompanying financial statements present the activities of the Stations (the primary government) and their discretely presented component unit, the Friends of Public Radio Arizona (Friends).

Friends of Public Radio Arizona (Friends) is a legally separate, 501(c)(3) nonprofit organization. It acts primarily as a fund-raising organization that receives gifts and bequests, administers those resources, and disburses payments to or on behalf of the Stations. Although MCCCD does not control the timing or amount of receipts from Friends, Friends’ restricted resources can only be used by, or for the benefit of, the Stations or their constituents. Consequently, Friends is considered a component unit of the Stations and is discretely presented in the Stations’ financial statements.

For financial reporting purposes, Friends follows Financial Accounting Standards Board (FASB) statements for nonprofit organizations. As such, certain revenue recognition criteria and presentation features are different from GASB revenue recognition criteria and presentation features. No modifications have been made to the Friends’ financial information included in the Stations’ financial report. Accordingly, those financial statements have been reported on separate pages following the respective counterpart financial statements of the Stations. For financial reporting purposes, only the Friends’ statements of financial position and activities are included in the Stations’ financial statements as required by accounting principles generally accepted in the United States of America for public colleges and universities.

**KJZZ - FM RADIO AND KBAQ - FM RADIO
NOTES TO BASIC FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

A. Reporting Entity (Continued)

During the years ended June 30, 2024 and 2023, Friends distributed \$5,704,908 and \$5,596,341, respectively, to the Stations for both restricted and unrestricted purposes. Complete financial statements for Friends can be obtained from the Friends Office at 2323 W. 14th Street, Tempe, Arizona 85281.

B. Financial Statements

The financial statements (i.e., the statement of net position and the statement of revenues, expenses, and changes in net position) report information on all of the nonfiduciary activities of the Stations.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The Stations distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the Stations' principal ongoing operations. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses. Underwriting revenue is reported as nonoperating revenue due to the nature of the underwriting revenue largely representing corporate contributions rather than fees for advertising campaigns.

When both restricted and unrestricted resources are available for use, it is the Stations' policy to use restricted resources first, then unrestricted resources as they are needed.

D. Assets, Liabilities, and Net Position

1. Deposits and Investments

The Stations' cash and cash equivalents are considered to be cash on hand, demand deposits, cash and investments held by the State Treasurer, and highly liquid investments with maturities of three months or less from the date of acquisition.

Cash in bank is pooled with the Maricopa County Community College District and is insured or collateralized at 103% of the bank balance.

Arizona Revised Statutes (A.R.S.) authorize the Stations to invest public monies in the State and County Treasurer's investment pools; U.S. Treasury obligations; specified state and local government bonds; and interest-earning investment contracts such as savings accounts, certificates of deposit, and repurchase agreements in eligible depositories.

**KJZZ - FM RADIO AND KBAQ - FM RADIO
NOTES TO BASIC FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Liabilities, and Net Position (Continued)

2. Receivables

All receivables are shown net of allowance for uncollectible accounts. An allowance of \$26,240 and \$20,920 for KJZZ and an allowance of \$7,870 and \$4,926 for KBAQ was reported at June 30, 2024 and 2023, respectively.

3. Capital Assets

Capital assets of the Stations consist of land improvements, buildings and improvements, and equipment. Capital assets are stated at cost at date of acquisition, or acquisition value at date of donation in the case of gifts. Major outlays for assets or improvements to assets are capitalized as projects are constructed. These are categorized as construction in progress until completed, at which time they are reclassified to the appropriate asset type. Capitalization thresholds (the dollar values above which asset acquisitions are added to the capital asset accounts), depreciation methods, and estimated useful lives of capital assets reported in the financial statements are as follows:

Asset Category	Capitalization Threshold	Depreciation Method	Estimated Useful Life
Land	N/A	N/A	N/A
Buildings and Improvements	\$ 100,000	Straight-Line	40 Years
Land Improvements	5,000	Straight-Line	20 Years
Equipment	5,000	Straight-Line	3 to 7 Years

4. Net Position

In the financial statements, net position is reported in two categories: investment in capital assets and unrestricted net position. Investment in capital assets is separately reported because the Stations report all Stations' assets which make up a significant portion of total net position. Unrestricted net position is the remaining net position not included in the previous category.

5. Income Taxes

The Stations are exempt from federal income tax, except on activities unrelated to its exempt purpose, under Internal Revenue Code section 501. Consequently, there was no provision for income taxes for the fiscal year.

6. Pension Expense

The Stations are departments of Maricopa County Community College District (MCCCD) and therefore do not report a net pension liability. Payroll related expenses are allocated to the departments and the underlying liability is the responsibility of MCCCD.

JUNE 30, 2024 AND 2023**

NOTE 3 OTHER INFORMATION

A. Contingencies

Paycheck Protection Program – On February 24, 2021, the Maricopa County Community College District (MCCCD) received a loan from JPMorgan Chase Bank, N.A. in the amount of \$590,000 to fund payroll costs through the Paycheck Protection Program (the PPP Loan). MCCCD applied for and received forgiveness of the loan during the year ended June 30, 2022. The loan balance was reduced to zero and recognized as revenue in FY22.

The U.S. Small Business Administration may review funding eligibility and usage of funds for compliance with program requirements. The amount of liability, if any, from potential noncompliance cannot be determined with certainty however management is of the opinion that any review will not have a material adverse impact on the Stations financial position.

NOTE 4 DISCRETELY PRESENTED COMPONENT UNIT DISCLOSURES

The Stations' discretely presented component unit is comprised of the Friends of Public Radio.

A. Summary of Significant Accounting Policies

1. Nature of Operations

Friends of Public Radio Arizona's (Organization) mission is to assure the future vitality and excellence of the Phoenix community's public radio stations and to broaden public radio support. Funding for the Organization is provided through individual donations and fundraising.

2. Basis of Accounting

The financial statements of Friends of Public Radio Arizona have been prepared on the accrual basis of accounting. The more significant of the Organization's accounting policies are described below.

3. Financial Statement Presentation

The Organization follows accounting principles generally accepted in the United States of America (U.S. GAAP). Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

NOTE 4 DISCRETELY PRESENTED COMPONENT UNIT DISCLOSURES (CONTINUED)

A. Summary of Significant Accounting Policies (Continued)

3. Financial Statement Presentation (Continued)

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

4. Restricted Contributions

Support is recognized when received. Support that is restricted by the donor/grantor is reported as an increase in net assets without donor restrictions if the restriction expires in the fiscal year in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are released to net assets without donor restrictions. Support that is perpetually restricted by the donor/grantor is reported as an increase in net assets with donor restrictions.

5. Special Events

The Organization conducts several special events to raise funds for the benefit of the Phoenix community's public radio. Special event revenue consists of event attendance fees and sales of goods at events. Cost of direct benefits to donors is the cost incurred by the Organization to provide goods and services to donors at the events.

6. Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes.

The Organization follows a policy that clarifies the accounting for uncertainty in income taxes recognized in an organization's financial statements. The policy prescribes a recognition threshold and measurement principles for the financial statement recognition and measurement of tax positions taken or expected to be taken on a tax return that are not certain to be realized. The Organization has not identified any uncertain tax positions.

NOTE 4 DISCRETELY PRESENTED COMPONENT UNIT DISCLOSURES (CONTINUED)

A. Summary of Significant Accounting Policies (Continued)

7. Fair Value of Financial Instruments

Fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy maximizes the use of observable inputs by requiring that the observable inputs be used when available. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

8. Functional Allocation of Expenses

Donated services are allocated based on job descriptions and the best estimates of management. Expenses, other than donated services, which are not directly identifiable by program or supporting service, are allocated based on the best estimate of management.

9. Risks and Uncertainties

The Organization invests in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the investment balances and the amounts reported in the statement of activities.

NOTE 4 DISCRETELY PRESENTED COMPONENT UNIT DISCLOSURES (CONTINUED)

B. Cash and Cash Equivalents

Cash and cash equivalents at June 30, 2024 and 2023 consisted of a book balance of \$6,808,662 and \$5,539,766, respectively. The bank balances of \$6,834,056 and \$5,559,654, respectively, were covered in the amounts of \$500,000 and \$250,000 by federal depository insurance. The remaining \$6,334,056 and \$5,309,654, respectively, was uninsured and uncollateralized.

C. Fair Value Measurements

The Organization uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. For additional information on how the Organization measures fair value refer to Note 4.A. – Summary of Significant Accounting Policies. The following table presents the fair value hierarchy for the balances of the assets of the Organization measured at fair value on a recurring basis as of June 30:

	2024			
	Level 1	Level 2	Level 3	Total
Interest in Arizona Community Foundation Investment Pool	\$ -	\$ -	\$ 3,425,257	\$ 3,425,257
	2023			
	Level 1	Level 2	Level 3	Total
Interest in Arizona Community Foundation Investment Pool	\$ -	\$ -	\$ 2,996,491	\$ 2,996,491

The Organization holds assets in an agreement with the Arizona Community Foundation. Under this agreement, the funds will remain at Arizona Community Foundation as board designated endowment funds. The funds are stated at fair value, which was determined based on quoted market prices.

As both the resource provider (the transferor of assets to the Arizona Community Foundation) and as the self-named beneficiary, Friends of Public Radio Arizona recognizes the funds held by the Arizona Community Foundation as community foundation holdings and classifies the funds in long-term assets. The Arizona Community Foundation holds these assets in a board-advised fund with the income and principal available for distribution to the Organization subject to the Organization's board of directors' approval and subject to the Organization advising that the distribution be made in accordance with the provisions of the agreement.

C. Fair Value Measurements (Continued)

The board-designated endowments net assets and activity for the years ended June 30 consisted of the following:

	Board-Designated	
	2024	2023
Board-Designated Endowment Net Assets - Beginning	\$ 2,996,491	\$ 2,725,135
Contributions and Fund Transfers	109,814	100,700
Interest and Dividends	58,827	66,861
Change in Value in Arizona Community Foundation Investment Pool	260,125	103,795
Board-Designated Endowment Net Assets - Ending	\$ 3,425,257	\$ 2,996,491

The following table provides a summary of changes in fair value of the Organization's Level 3 financial assets for the years ended June 30:

	2024	2023
	Arizona Community Foundation Investment Pool	Arizona Community Foundation Investment Pool
Purchases	\$ 109,814	\$ 167,561

D. Donated Goods and Services

The Organization receives donated services from a variety of unpaid volunteers. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer efforts under accounting principles generally accepted in the United States of America have not been satisfied.

The Organization received \$367,663 and \$336,649 of donated management and fundraising services during the years ended June 30, 2024 and 2023, respectively, from KBAQ and KJZZ that is included in equity transfers/revenues and expenses in the statement of activities. The value of donated services was obtained using the personnel costs from the Organization that provided the services. Additionally, the Organization received proceeds of \$664,022 and \$538,714 from the auction of donated vehicles in 2024 and 2023, respectively.

There were no donated services or goods with donor restrictions received during the years ended June 30, 2024 and 2023, respectively.
